

## Streamline ordering with Rebuilder Bulk Packs.

Part ordering and stocking have never been easier than with Eaton Fuller Rebuilder Bulk Packs. These Bulk Packs allow high-volume rebuilders to order parts less often and keep a consistent level of parts always available.

- Maintain the optimal quantity of parts always on hand.
- Reduce forecasting and the need for spot buys.
- Decrease your time spent ordering parts.
- Simplify ordering by purchasing all transmission rebuild parts from a single supplier.
- Maintain genuine Fuller parts...with all the quality and dependability your customers associate with the Eaton Fuller name.

**Contact your Roadranger representative for more information.**
